 **FAQ:** How do I choose a lunch from such a large menu for my group?

Not an easy answer, but we specialize in the right items for the right type of group!

 **For a corporate lunch:**

-We recommend that you limit the choices to about three different wraps/sandwiches.

-A green salad and/or a grain, pasta or cold side salad

-Always include our Sweet Maui Kettle Potato Chips as we meet very few people who don't rave about them!

-We can do something as light as a bowl of fruit or as simple as some cookies, but you can also allow us to choose the dessert from our weekly selection.

 **A shower, or a light lunch gathering**

Follow the guidelines above and maybe add in an extra salad or maybe choose a nice dip or two from our Hors d'oeuvres menu.

Our menu is a touch of what we do. We are constantly adding new items based on local availability, flavor trends, dietary fads or restrictions, and
